No work is logged in this card.

Log Work Hours

Enter Jira Number

Add Jira

LogOut

- Log work hours for multiple days across multiple Jira cards with a single click.
- Search and add Jira cards to his/her dashboard and log work hours for it.
- View details of Jira card like Jira ID, status, type, and summary.
- View all the Jira cards assigned to him/her except for cards in “Closed”, "Issue Done" status.

My Team Jira

- Active work from team members can be viewed in single window.
- This reduces the time spent to log work based on coloration with team for team members card.
- This will be sorted based on recently updated jira and can view upto 50.
